Spring 2023

Dear Friend and Neighbor,

The Wayland High School Scholarship Committee provides scholarships to Wayland High School graduates who show academic promise and financial need. Thanks to the extraordinary generosity of individuals, families, and businesses in our community, we awarded \$93,000 to 24 deserving seniors in 2022.

Many members of the Wayland High School Class of 2023 are now beginning to make decisions about their futures – and questioning how they will afford to finance the exorbitant costs of pursuing higher education.

With your support, we can continue to help members of the senior class pursue their educational goals.

We respectfully ask for your donation to the Wayland High School Scholarship Program today to positively impact the lives of deserving WHS scholars. You can direct your donation to one of three types of awards:

- The Current Award Fund – allocated entirely to the class of 2023 (must be received by **April 30**)
- The Endowment Fund – permanently invested, with a portion of the earnings available in 2023
- A specific named Award – choose the award to which you want your contribution directed (see back)

Each spring, the **Quarter Century Service Awards** recognize individuals who are retiring from the Wayland School System after 25 years or more of service. This year, we honor **Laura O'Brien** from Happy Hollow School and **Celeste Larson** from Claypit Hill School, as well as all previous honorees, for enriching the lives of Wayland students. In addition, we have added two new awards this year:

- In memory of **Michael O'Connor**, who served 25 years as a beloved elementary school teacher at both the Loker and Happy Hollow Schools and saw the potential for excellence in each student he met.
- In memory of **Eric Chase**, a 2008 graduate of Wayland High School who majored in Chemistry and Math at the Honors College at UVM and approached life with intelligence, compassion, and humor.

These are just two of the many named awards we have the privilege of presenting each year, carrying on the strong tradition of supporting education in Wayland. The list of named awards is on the back side of this letter and full descriptions can be found online at the Wayland High School website.

For your convenience, we have two options for donating to the Wayland High School Scholarship Foundation:

- Send a check to WHS Scholarship Committee, P.O. Box 36, Wayland, MA 01778. Please use the memo line to indicate the award to which you want your contribution directed.
- Donate online by scanning this QR code or going to https://whs.wayland.k12.ma.us/for_students/wayland_high_school_scholarship_program.

Thank you for your continued generosity in supporting our students as they embark on their journeys as adults.

With gratitude,

Jeanne Brown, Chair
